

Text giving – how it works

Text **SRHR44 £3/£5/£10** to 70070 to donate to via text.

You can donate £3, £5 or £10.

By donating you are helping us continue our work of empowering women with contraceptive choices, making a real difference to their health and the planet.

Within 24 hours you'll receive confirmation by text to let you know the donation has been successful.

What's the cost of donating by text?

It's completely free. There's no cost to you for sending the text and your free allowance/bundle won't be affected - the only charge will be the donation itself which will be added to your mobile phone bill or deducted from your pay as you go credit.

What's more, 100% of your text donation (including Gift Aid) will be sent to the charity.

Can I add Gift Aid, my name and a message to a text donation?

Yes, once you've sent your text we'll reply to confirm that we've received it. We'll also include a link to an online form. If you have a smartphone, click on the link to claim Gift Aid and/or leave a message. Alternatively, you can copy the link into a web browser on your PC/laptop or tablet and fill the form in there.

How can I get a refund for a text donation?

As text donations are charged to your mobile phone bill or taken from your pay as you go credit, you'll need to contact your mobile phone provider directly to arrange a refund.
